Activity Highlight

Date: 29/04/2016	Time: 7:00pm - 8:30pm	Venue: Hall
Activity Title: S1-S2 Parents' Night		Participants: S1-S2 Parents

Highlights:

It is the most special Parents' Night ever as all the parents came voluntarily with their children. Parents and students separately joined the workshop at first, and then came together to share with each other. It provided a platform for children to speak up and for parents to listen to their children's needs.
