

ECF Saint Too Canaan College

2015-2016

Activity Highlight

Date: 3- 5/2016	Time:	Venue: school and visit
Activity Title: <築夢迦南> Career Orientation Program for Engineering and Architecture		Participants: 42 S3 – S5 students

Highlights:

Honorably, the program invited the experienced engineers from Institutions of Civil Engineers, and the Chief Architect of Hong Kong Housing Authority as the mentors of the program. To let the students know more about the knowledge, fieldwork and missions of these professions, the program included the talk, workshop and site visit. Finally, students were required to join the competition of floor plan design. On the presentation day, students tried their best to show what they learned and got the prize.
