Date: 18/4, 20/4, 25/4, 27/4/2016	Time: 3:35pm-5:30pm	Venue: STCC
Activity Title: S.2 Enrichment Program 平享·分享·行動		Participants: S.2 Students

Highlights:

S.2 students joined the activity in April. Each class was divided into groups and went to Kwun Tong Market, Ngau Chi Wan Market and Shun Lee Estate. They went there to show their care to the elderly who were picking up the discarded cardboard to earn for a little money. From this action, students learnt the story of the elderly and realized the hardship of their living. Students could reflect on what we need to do for the grassroots.
