Activity Title: Inter-School Fencing Competition 2015- 2016		Participants: 19

Highlight:

This was the fourth year that our school fencing team joined the Inter-School Competition in individual section. From their performance we know, they have shown a great improvement in their skills and team spirits. Their confidence were greatly strengthened and they were all serious to the competition. This year, we had some S1 students with great potentials joined this competition. We are glad to see new blood joining the fencing team and we hope they can perform better in the coming year.
