2015-2016

Activity Highlight

Date: 7/4/2016	Time: 1:30pm-6:00pm	Venue: Ma Shi Chau, Sam Mun Tsai, Tai Po
Activity Title: Ma Shi Chau Fieldtrip		Participants: 15

Highlights:

S.4 Geography students joined the fieldtrip in Ma Shi Chau on 7/4/2016.

Ma Shi Chau is one of the marine parks in Hong Kong. Students could see different tectonic features (Folding and faulting) and coastal landforms (tombolo and bay) there. Besides, they observed different marine species and coastal vegetation. Students learnt a lot and enjoyed the wonders of nature in Hong Kong.
