Activity Title: Modern Calligraphic Workshop		Participants: S4 VA students

**Highlights:**

We were honored to have Miss Sarah Lee, Modern Calligraphic Artist and our STCC alumni from VA, to come and speak to our S4 VA students about Modern Calligraphic.

The Modern Calligraphic Workshop aimed at providing opportunity for S4 VA students to broaden their knowledge and skill in arts education. Therefore our S4 VA students were provided the Modern Calligraphic Workshop for building their capacity through experiential learning.

They all enjoyed writing and learnt how to hold the pen with proper way. This workshop could provide S4 VA students with positive learning platform and equip them with confidence in future learning of Visual Arts.
