

ECF Saint Too Canaan College
2015-2016 Activity Highlight

Date: 8/7/2016	Time:	Venue: Hong Kong Convention & Exhibition Centre
Activity Title: 2016 Design Exhibition & Fashion Show at HKCEC		Participants: S3 – S6 VA Students

Highlights:

40 students visited the captioned exhibition on 8/7/2016. This greatly widened their horizon as they could appreciate the masterpiece made by the Graduation students of INNO Fashion Center and Caritas Bianchi College of Careers.

Moreover, we were so proud of the students that 4 outstanding students' outfits were selected and had a chance to showcase their fashion design works on a professional stage and on professional models. It was very exciting and we were so proud of our student designers!!! The outfit looked great on model.

We received lots of messages from other schools, guest speakers and also some guests from fashion industry. They all said they were very surprised to see that our students had such a high level of creation. And of course this show would not be happened and with such a fabulous result on stage without all teachers' support.
