

ECF Saint Too Canaan College

2015-2016

Activity Highlight

| | | |
|---------------------------------|------------------|----------------------------|
| Date: 3/3/2016 | Time: Lunch Time | Venue: STCC Playground |
| Activity Title: Science ESD Day | | Participants: All Students |

Highlights:

All students were welcomed to join the Science ESD Day to learn and experience more about science outside classroom. One of the most interesting activities was the liquefied nitrogen demonstration. Students were very excited to feel the “amazing power” of liquefied nitrogen.
