Date: 7-8/2016	Time:	Venue: School & Outing
Activity Title: <Urban Spring>Summer Business Engagement Program		Participants: S4-S5 students

**Highlights:**

<Urban Spring> business engagement program was launched in summer holiday. Totally 15 students who were interested in business joined the program. In this program, they participated in 2 workshops and conducted a group interview to the social enterprise company, Urban Spring. It was a very excited experience since they could also tried to be one of the staff in their office for a whole day. It is believed that the summer business engagement program provided an excellent chance for students to broaden their horizon.
