Activity Highlight

Date: 5/11/2016	Time:1:00 – 4:00pm	Venue: School Hall
Activity Title: S4 LIFE program - <SIM Life>		Participants: All S4 Students

Highlights:

For the S4 students, they are going to face the DSE in 3 years. <SIM Life> was a 3-hour activity for them to experience the path after DSE. They got a mock DSE result and chose what they wanted to study. Some students kept studying from higher diploma to degree course, but some students tried to seek for a job. Whatever students chose, they learned how to shoulder their responsibilities in their lives through this meaningful activity.
