| Date: 6/10/2016 | Time: | Venue: STCC |
| Activity Title: Energy Talk | | Participants: S4 students |

Highlights:

The LS department held an Energy Talk for Form 4 students on 6th October 2016. We were glad to invite Professor Wong, the Principal of the Open University to deliver the talk. Lots of students responded to the Q&A section. They were interested in the topic and enjoyed the activity very much.
