Activity Title: 1 st DIY Gift and Give Club		Participants: 13 S1 students

Highlights:

In order to nurture students' character to cherish what they own and to care for others, the Visual Arts Department has established "1st DIY Gift and Give Club" since October. 15 students have been selected to be its members.

We are honored to invite experienced designer Miss Choi Ka Bik Grace, who is the founder of Carrot's Workshop, to be the tutor. The activities include:

1. To design and knit coaster (設計及編織勾杯墊)
2. To design card with hand rolled paper crafts (製作捲紙心意咭)
3. To make cute doll by glove (製作手襪娃娃(八爪魚))
4. To make cute doll by sock(製作襪子娃娃(小豬及小貓))

We wish every member can learn to love what they have and show care for others. This morality can be passed on to be the tradition of STCC!
