

**ECF Saint Too Canaan College**

**2016-2017**

**Activity Highlight**

Date: 29/9/2016	Time: 9:00am-4:30pm	Venue: Cheung Chau
Activity Title: Geography fieldtrip		Participants: Class 6 Honesty

**Highlights:**

The activity aims to enable students to observe the physical environment of Cheung Chau and understand the different landforms caused by the internal and external process. The students had the opportunity to collect the climatic data (e.g wind speed, wind direction), sand sample and use it in the presentation. Through the geological fieldwork, students could appreciate the natural beauty and have awareness to cherish the geological resources.
