2018 – 2019 Secondary 1 Parents' Workshops
2018 – 2019 年度中一新生家長工作坊

Introduction of Workshops and Speakers
工作坊資料與講員簡介

(1) Secondary 1 Learning Strategy: Whole-brain Training Workshop
中一級學習策略：高速讀書法

Mr. Li Kam Fung (李鑑峰校友)

Date: 21 April 2018 (Saturday)

Time: 2:30 – 5:00 p.m.

Venue: 2/F School Hall

Aim: The workshop aims to cultivate students' advanced learning skills and improve their academic performances by acquiring holistic memorizing skills and learning strategies. Meanwhile, students will be able to enhance their concentration, memory and ability of revision after the workshop.

Content: Assessment of students' present memorization skills, application of memorization skills, whole-brain training skills (Instantly enhanced concentration)

Speaker: **Mr. Li Kam Fung**, an alumnus of STCC and Director of "HK Academy of Memory". He is also the Honorable President of Hong Kong Memory Representing Team, training instructor of different corporations and schools, and the record holder of various memory competitions in Hong Kong. He is currently working as a trainer for schools and enterprise, and he was previously interviewed by major media in Hong Kong. Apart from being invited by universities and local schools as guest speaker, Mr Li has organized employee training programme for many commercial firms. He is also the only memory training instructor that has been invited by Peking University as a trainer.

- 日期：** 2018 年 4 月 21 日 (星期六)
- 時間：** 下午 2:30 – 5:00
