

2017 – 2018 Circular to Parents (84)
Matters on Exploring Fujian History and Culture Tour

15th December 2017

To our dearest parents,

I have great pleasure to introduce to you the Fujian History and Culture Tour, which is organized by the Personal, Social and Humanities Education Department of our school. The aims of this trip are to enrich the Chinese culture knowledge of our students, broaden their horizons and cultivate their self-management skills. The theme of this trip is about History and Culture, which includes visits to Fujian Tulou, Maritime Silk Road Museum and local enterprise, secondary schools and universities. Students will be able to learn local history and culture in different aspects.

Our school has provided 40 places for students in this study tour. Students are required to attend a selection interview in the period of mid-December and early-January. Students who have been selected should pay for the tour with a crossed cheque of **HKD\$ 585**. Cheque should be made payable to 'ECF Saint Too Canaan College' with the name and class number of students written on the back of the cheque. For those students who need financial assistance, they can apply for subsidy. Students can come to General Office for the application form and submit with the supporting documents to the teacher-in-charge. Once the trip has been confirmed, we will organize a briefing session in mid-March 2018 and inform you and your child about the details on the trip. All participants are required to attend.

Please sign the reply slip and return to Form teachers **on or before 20 December 2017**. You may also sign the reply slip via eClass App. For details on the study tour, please see next page.

In the Lord's service.
