教育育的反思

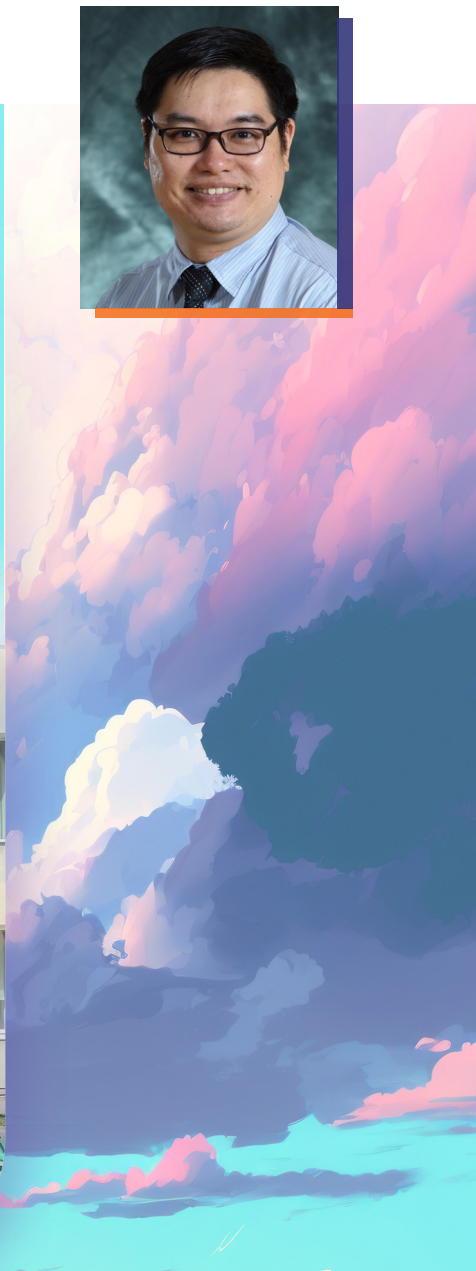

愛沙尼亞考察團的得著

猶記得從前有一套劇集叫《尋找他鄉的故事》，講述了海外華人的生活點滴。而在剛過去的4月底，我有幸與一群直資學校的校長朋友，前往愛沙尼亞進行教育考察，以了解「他鄉」的教育情況。

愛沙尼亞是波羅的海國家之一，在二戰期間曾被蘇聯佔領，後於90年代成功獨立。由於他們視教育為國家復興的首要任務，所以近年來推行多項教育改革，同時積極

發展科研，令他們在2022年PISA的評分中^(註一)，在閱讀、數學、科學領域都位列歐洲之首。它的成功無疑值得借鏡，而這也是我們前往考察的主要原因。

是次探訪的七所學校位於首都塔林及塔圖這兩座城市。我發現當地政府不但重視教育，而且給予學校頗大的自主權。政府以一系列政策吸引從事教育工作的專才，又規定中學老師必須持有碩士學位，以提高

全國師資和教育素質；實行義務教育制度，確保所有孩子都能接受良好的教育；在學校內免費提供書簿、食物、校服等必需品；制訂針對弱勢群體的措施，確保教育資源的公平分配；甚至連國內的一些新聞頻道，也會報導與科研比賽相關的資訊，可見全國上下對普及教育的重視。

愛沙尼亞的學校在課程規劃上擁有彈性，讓老師可以因材施教

教。雖然政府設有國家課程（National Curriculum），但學校也可按照學生的實際情況作出調整。課程設置既注重學術知識和實踐應用的平衡，亦重視跨學科學習，培養學生綜合運用知識的能力。就我們所見，有些學校提供各式各樣的選修課程供學生選讀，擴闊他們的視野；部分學校設有「挑戰課」——學生需就自己的弱點自定一項挑戰，並在每星期的 Mentorship Lesson（師友節）中檢視成果，好比香港的個人成長課；此外，學校亦普遍重視Hobby Education（興趣教育），即相當於香港的聯課活動。

當地的校園環境舒適整潔，幾乎各處都有一些康樂的設施，如乒乓球桌和棋類設施。校園內亦有很多學習空間，如靜音艙，供學生借用。有些學校的圖書館採用開放式設計，讓借還圖書的過程更加便利。除此以外，當地學校非常重視學生的健康，強調一天最少吃兩頓飯，所以在時間表內會清楚標示早餐及午餐的時間。

這次在「他鄉」的考察，令我深深體會到學生自主和福祉（Well-being）的重要性。前者主要體現在學校課程、時間表編排、校園空間運用，以及課外活動選擇等。而後者則體現在對學生生活的照顧、身心靈的平衡發展。

反觀迦南，我也有硬件及軟件方面的計劃。在硬件方面，未來我打算逐步改善及優化不同的學習空間，讓學生學習更方便。例如圖書館近日已獲校董會通過，即將啟動搬遷工程。在軟件方面，我期望持續優化AIMS系統以及其他學習經歷（OLE），並繼續提供多元化的課程，包括申請中的IAL國際課程，讓學生有更多的選擇，找出適合自己的出路。

註一：PISA全名為「學生能力國際評估計劃」，是一個由經濟合作與發展組織籌畫的對全世界15歲學生學習水準的測試計畫。計劃最早開始於2000年，每三年進行一次。

親子燒烤晚會

幸運大抽獎把現場氣氛推向高潮。

一年一度的大型親子燒烤活動於1月26日順利舉行。由於反應熱烈，報名人數眾多，進行抽籤後，共有38個家庭、約100位家長及學生參與；李校長、甄副校長及21位老師也一同出席。當晚節目非常豐富，包括學生的唱歌及跳舞表演、親子遊戲及抽獎環節。表演者和觀眾都非常投入，一眾老師們的歌唱表演更掀起高潮。食物方面也別具特色：除燒烤食物外，還有自家製滋潤蕃薯糖水及關東煮，老師更即場將校園種植的新鮮蔬菜加入關東煮中烹調，非常美味！期待下年度有你們的支持和參與。

每年聖道迦南書院都會舉辦一系列親子活動，而我覺得最特別的就是親子燒烤。因為這除了是一項親子活動外，也讓我們作為家長，親臨學校，和同學、老師們共度一個奇妙的晚上。很感恩我們一家人的距離因為這次活動而拉得更近了。

升中資訊日

不停為大家送上大受歡迎的爆谷。

在 我校的升中資訊日上，家教會在小食部設置「懷舊一週親」攤位，招待一眾前來認識迦南的家長和學生。現屆及上屆家教會成員和家長義工們，同心合力負責當日富有特色的攤位活動，包括提供即製爆谷和梳打特飲，以及即席為來賓扭氣球。

能夠與一眾家委和家長齊心合力製作爆谷和特飲，固然開心；但更重要的是可以讓第一次來這裡的家長和小朋友感受到迦南溫暖有愛的氣氛。

Activities of Four Houses

House of John,
House of Luke,
House of Mark,
House of Matthew

Four Houses compete with each other through different House activities. Members cheered for their own House and engaged actively in different activities. Throughout these competitions, students' team spirit and leadership skills can definitely be developed.

This year, we have tried a lot of different things (e.g. the cheerleading training workshop) as the House Captains. We have learnt from the past events that working as a team is necessary running a House, particularly when it comes to assigning responsibilities. We made every effort to ensure all the activities run perfectly. Everyone of us has different strengths, but we can all work so smoothly together. We could feel that all the participants gave it their all in the activities to support their own House. To ensure the success of the activities, the House committee members and Captains put in a great deal of time and effort on planning and preparation. We want to thank everyone in the House of Mark and the House Committee for their hard work and participation this year. We would like to thank House Of Mark once again for giving us the wonderful opportunity to explore our own talents. We hope that we can pass on the leadership skills to our juniors and make our House the brightest one.

House of Mark tries to get more points from John.

To win in the game it all depends on your luck to achieve perfection.

Students sit aside to cheer up and support their House members.

Our House Captains and committee members made a big contribution in organizing and hosting the event. They decided to have fun mini games. Even though they did worry about the safety problem of the game at the beginning, they tried out the games themselves a couple of times and made sure they were safe before the activity week. It was amazing to see how hard they worked and everyone in the committee helped and took part in the activities. The activities went really well and all the students had a fantastic and wonderful time.

I am so proud of our committee members and captains, especially Cherry and Jeff. They did a fantastic job and showed a lot of maturity in organizing events and activities.

What a fruitful year for the members of House of Mark!
