2017-2018 Circular to Parents (39)

Dearest Parents

I have great pleasure to share with you that Saint Too Canaan College has reached her 15th Anniversary this year. I heartily hope that you will join us in the functions of celebration for this cause.

I wish to take this opportunity to share with you my personal movement at the end of this school year. I was appointed to the position of principal in 2010. It is my 8th year of service in this school. Right from the first day, I found myself so blessed to have the trust and support from the staff team, students and parents. It makes my leadership role possible and effective.

At this moment, I am sad to tell you that, **at the end of this school year, I will retire from my post of principal.** To me, I will enter a new stage of life from then on. As for the school, I firmly believe that Saint Too Canaan College has established an outstanding and solid foundation. No movement of personnel will affect her further development. As concerning the succeeding principal, the School Management Committee has formed a Search Committee and they will update you on this matter in due course.

P.T.O.

In ten years from now, Saint Too Canaan College will celebrate her Jubilee (25th) Anniversary. That will be the FIRST most important milestone of a school. I have shared with my teachers, more than once, with these words, “With the 15 years of commendable performance as our ground work, let us try to attain further excellence to celebrate our Jubilee.” I hope you will support us in all of these efforts.

In the Lord’s Service
