2018-2019 Circular to Parents (103)  
Matters on Purchasing a HKEAA approved Calculator for S1 Students

25 January 2019

Dearest parents,

The Mathematics Department of our school strives to support, strengthen and grow the calculating abilities in our students. As part of the curriculum of S1 Mathematics, students are taught how to use a scientific calculator that is approved by the Hong Kong Examinations and Assessment Authority (HKEAA). I am pleased to inform you that our school has arranged HKEAA approved calculators at a discounted price with a distributor and orders will be delivered to the school. The cost is listed below:

Brand of Calculator	Selling price
CASIO fx-50FH II	\$170

I would like to invite all parents to purchase an approved scientific calculator from us or another retailer. Should you choose to take advantage of our discounted price, please sign and return the slip via eClass App **on or before 1 February 2019**; the required fee will be deducted using the Smart Card system. Should you have any enquiries, please contact Ms Li Lee Mei at 2372-0033.

In the Lord's Service

Tsui Chiu Mui  
Principal  
ECF Saint Too Canaan College
