2018-2019 Circular to Parents (80B)
Matters on Secondary 6 Mock Examination

14 December 2018

To our dearest parents,

I have a warm reminder for you concerning the Secondary 6 Mock Examination, which lasts for 12 days starting on 16 January 2019. The Mock Examination aims at allowing our students to familiarize themselves with the format and requirements of the HKDSE. The details are as follows:

The Mock Examination of this year will start on 18 January 2018, which will be the overall review before the HKDSE. The contents for the exam will be similar to the difficulties and broadness of HKDSE, and also the format of public exam. Parents please **refer to the attachment of the Mock Exam timetable on next page** and encourage your child to do revision during the Christmas and New Year holidays. Please be reminded that all extra-curricular activities will be suspended after school (starting from 2 January) during the examination period. After the Mock Exam, review of examination papers and normal school days will be scheduled from 18 February to 22 February. All S6 students are required to attend the lessons as usual. Teachers will review students' performances on the exam and help them prepare well for the HKDSE.

If your child is sick during the examination period, he/she should submit parents' letter and medical certificate to Form teachers on the following school day. Any late application for sick leave will not be accepted. In addition, our school requires students to sit for all subjects and sub-papers in the examination. Otherwise, they will not be qualified for any subject awards.

In case of school suspension due to bad weather or accidents, the examinations scheduled for that day will be postponed. The rest of the examination will be held as scheduled. Parents please pay attention to the most recent announcement on the school website for your interest (www.stcc.edu.hk). Should you have any enquiries, please contact Mr Wong Wai Kit, Eric at 2372-0033.

In the Lord's service.
