2018-2019 Circular to Parents (92)

An Invitation for Becoming AFS Host Family (Secondary 1 to 4)

4 January 2019

To our dearest parents,

I have great pleasure to inform you that our school would continue to participate in the Intercultural Exchange Programme next year, which is organized by the AFS Intercultural Exchanges. Our school emphasizes on broadening the horizons of our students and raising their awareness on international citizenship. I would like to sincerely invite parents from Secondary 1 to 4 to become host families, which can provide board and lodging for exchange students in the period of 10 months. Meanwhile, becoming a host family can create a multi-cultural environment for your children to learn different cultures in other countries and strengthen their English Language skills.

AFS Intercultural Exchanges is an international, voluntary, non-governmental, non-profit organization that provides intercultural learning opportunities to help people develop knowledge, skills and understanding needed to create a respectful and peaceful world. Parents could find more information about host family on the official website (<https://www.afs.hk/>) or contact AFS at 2802-0383.

Our school will select any interested host families for an interview in the last week of January 2019. Please sign the reply slip and return it to Form teachers on or before 11 January 2019. Should you have any queries, please contact Ms Kong Suet Ha at 2372-0033.
