**2018-2019 Circular to Parents (93)**  
**Matters on the Newly-awarded Catering Services and School Lunch Supplier**

7 January 2019

Dearest parents,

This school educates students to be healthy in mind and body. The current catering service and school lunch supplier, Mangrove (Tuck Shop Management) Ltd, will end their contract on 14 January 2019. In light of this, our task force, including Assistant Principal, Heads of Health Education Committee and Home-school Cooperation Committee, Administrative Officer, Executive Officers and Parents' Representatives, arranged a tasting session and factory visit to potential catering service providers.

In the tasting session, parents, students and teacher representatives voted on three criteria: 1) The quality of the food. 2) The cost and 3) The overall experience with the catering company. As a result, this school has awarded 'Fit For Life Luncheon & Catering Services' a two and a half year contract to provide lunches to our school. The contract period starts on 28 January 2019.

Please be informed, during the transition period from the previous catering service to 'Fit For Life Luncheon & Catering Services', unfortunately, our **tuck shop will be closed from 14 January to 1 February**. To maintain your child's well-being, we encourage you to ensure your child(ren) **eats breakfast before school every day and brings a packed lunch to school. Please note, from 28 January students may order lunch from our new provider** but the tuck shop may still be closed due to renovations. We sincerely apologize for causing any inconvenience to you during the transition period.

P.T.O.

The arrangement and procedures for ordering lunchboxes are the same as before, and a lunch box order form will be distributed at a later date. Should you have any enquiries, please contact the Head of Health Education Committee, Mr Tsang Kam Hoi at 2372-0033.

In the Lord's service.

Tsui Chiu Mui  
Principal
