2018-2019 Circular to Parents (141)
Matters on S1 Life-wide Learning Day

1 April 2019

Dearest parents,

Our school strives to provide more opportunities for experiential learning and whole-person development in our students. To accomplish these goals, we have arranged 'Life-wide Learning Days' from 15 April to 18 April 2019. We sincerely hope that your child(ren) is/are able to achieve the learning goals and skills that cannot be obtained during regular lessons.

As part of these learning days, our Liberal Studies Department has organized an activity called 'Learning in Museums' which **all S1 students must attend**. We hope that all participating students will learn about the museum and will be able to work together in groups to design their favourite thematic museum. The details of the activity are:

Remark: In the case that your child has joined a study tour in the period of Life-wide Learning Day, he/she does not need to attend this activity. Subject teachers will re-arrange another time slot for your child to complete this learning activity.

P.T.O.

This activity is free of charge. We have arranged a bus to take students to the venue and return to school after the activity. All participating students **must wear proper PE uniform** to attend the museum.

Our school believes that learning inside and outside of the school walls are essential to whole-person development. We hope that students will learn beyond the classroom to broaden their horizons and put their learnt knowledge into practice. **Please sign the reply slip via eClass App on or before 4 April 2019 (Thursday)**. Should you have any enquiries, please contact the Head of Liberal Studies Department, Ms Chiang Bun at 2372-0033.

In the Lord's Service.
